YOUR BIGGEST SCORING MOMENT

Your campaign video, made simple

You do not need to sound perfect. You need to sound like you.

YOUR QUESTION

The world has a beauty issue. What lie about beauty, identity, or worth have you had to unlearn, what does God say instead, and how will you use your voice, service, and platform to help another young woman find her pretty in Christ?

Answer it in four parts

1 | THE LIE

What message about beauty, identity, or worth did you have to unlearn?

2 | GOD'S TRUTH

What does God say instead? Ground your answer in Christ, Scripture, or a truth that shaped you.

3 | YOUR CHANGE

How did that truth change the way you see yourself, your purpose, or your story?

4 | YOUR IMPACT

How will you use your voice, service, and platform to help another young woman?

FORTY VIDEO POINTS

10 message + 10 faith and identity + 10 service impact + 10 creativity and communication. There is no minimum or maximum length. Make this YOU.

DO

Use your real voice, make the link easy to open, and let your creativity support the message.

DON'T

Do not force a trauma story, share private information, or copy someone else's testimony.
